Benefits of Associate Membership

Associate's Council

The Associate's Council is an excellent opportunity for Associate Members to meet and discuss how to maximize the benefits of membership. Associates discuss techniques for selling to the industry and Primary Members most sought after. At each meeting, a guest Primary Member speaks on topics relevant to Associates and building business relationships between members.

Membership Directory

NOAA Members receive an annual Membership Directory which highlights Associate Members. Each company is part of a cross-referenced listing that includes contact information and a products and services list. Primary Members are encouraged to establish business relationships with Associate Members. Additional advertising opportunities exist in the directory to provide greater exposure and brand recognition.

Group Purchasing

Enjoy the savings that a membership in a collective of over 125,000 units allow. Save on gas and electric, carpet and paint, workers compensation, electric supplies, insurance, and much more!

Suites Magazine

Suites Magazine is NOAA's glossy, full-color publication comprised of industry news, features and events of interest to our membership. Suites Magazine is published bimonthly and our circulation reaches beyond NOAA to more than 2,500 owners, managers and site staff throughout Northern Ohio.

Trade Show and Exposure

Associate Members have the opportunity to display their products and services at NOAA's annual Trade Show and tabletop meeting. Associates are given opportunities to sponsor different components of member events in exchange for recognition, signage, and exposure.

NOAA Online

Our website, www.noaamembers.com is packed with current news, upcoming events, and tools to help you operate. It includes a searchable membership directory to help you find who you're looking for in a hurry. Stay connected with NOAA by joining our group on Facebook!

Key Awards
