

Appliance Troubleshooting and Repair with

Chadwell
SUPPLY

NAA 2022
NATIONAL APPLIANCE ASSOCIATION SUPPLIER OF THE YEAR

April 5 | Class from 9am to 4 pm | \$89 per student

Appliance troubleshooting and repair seminars provide students with the skills and knowledge necessary to troubleshoot major appliance issues.

Students will receive both classroom and hands-on instruction. Students should also bring basic hand tools.

Modules included in this seminar include washer, dryer, refrigerator, stove and dishwasher. **Lunch is included!**

Class will take place at Chadwell's location in Canal Winchester - 6121 Boxy Road. Canal Winchester, OH 43110.
